Harry and John,

At some date in December, 2018, a telephone conference or a meeting took place between EPA Headquarters upper level management, OCSPP, and upper level management of Region III. Yesterday I was informed by Bethany Fisher, OGC, that at the meeting or during the call, Charlotte Bertram or a representative of Charlotte Bertram, requested background information from Region III on the issuance of the NONs to beneficial use permitted sites in PA.

As of yesterday, Bethany stated to me that Charlotte is still seeking such information. Upon my request, Stacie has reviewed our enforcement notifications and RA Briefing documents and we have selected the attached documents to send to Bethany Fisher. I will confirm with Bethany that it is her intention to share such documents with Charlotte Bertram or her representative at OCSPP.

I am requesting your approval to send the attachments to Bethany Fisher today.

Cheryl
